

BUSINESS WATCH

Crime Prevention Techniques for Your Business

The City of Palmdale's **Business Watch** program will teach you and your employees crime prevention techniques to reduce the opportunity for crime to occur in your business.

Detection and prevention are critical components for any business's security plan

Take advantage of our FREE safety and security training:

- Building and store security
- Burglary and robbery prevention
- How to report a crime or suspicious activity
- Handling loitering and vandalism
- Detecting counterfeit currency
- Credit card/check fraud
- Shoplifting prevention
- Employee and customer safety

Contact Crime Prevention Officer Kery German for more information and to schedule a free training session at 661/267-5541
